# Bargate players take field for ex-player's twin boys

**MEMBERS of Bargate Rovers FC are to take place in a special fundraising football match on Sunday in aid of a pair of Derby twins.**

Sam and Alex Bolton, who are two this month, have been diagnosed with a condition called spinal muscular atrophy (SMA). This is a nerve-wasting disease that comes in several stages. Sam and Alex have stage two.

This Sunday, a Bargate Rovers XI will take on a team led by the twins' dad Ian. It gets under way at 2pm at The Manor Ground in Belper, opposite The Park pub.

Rovers, told the *Bugle*: "Ian used to play for Bargate Rovers before he moved to Derby so some friends, including myself, decided to try and raise some money to support the family and show there are people out there that care.

"We haven't a set total, we just want to get out there on Sunday and raise as much money as possible to help.

"The bar at the Park will be open after the game for anyone who would like to catch up with old friends or just donate what they can. We are also running a raffle on the day for this worthy cause."

Meanwhile, the club is still keen to hear from ex-players and supporters of Bargate Rovers as it prepares for a special 50th anniversary celebration.

Club officials have arranged a three-course meal and night of reminiscing in the Dave Mackay Suite at Pride Park Stadium on May 26, with Rams legend Dave Mackay himself on the bill as guest speaker.

The adults-only event will get under way at 7.30pm, and will include an evening meal and after dinner party. Tickets are priced at £26.
